

[Insert your name and address]

Dear Sir/Madam,

I would like to say thank you for an enjoyable walk I took on [insert date] to [insert location]. I understand that local authorities maintain public paths as a legal duty, ensuring any obstructions or path problems are cleared and paths are kept open for everyone to enjoy.

[Insert details about why the walk was enjoyable, as you wish]

I am aware that the Comprehensive Spending Review being undertaken by the government may mean severe budget cuts to your department. I would like to take this opportunity to support the work that you do to keep this health-promoting, environmentally-friendly recreational facility going. As a walker and as someone who is a member/supporter of the Ramblers, I am happy for you to use this email as evidence of the value the public place upon the Rights of Way department in this local authority.

I think it would be disastrous if cuts were made to the Rights of Way department and thus the path network, as many people would be stopped from enjoying the many delightful walks in this area, including the one I described above.

Many thanks for your time.
